FISCAL IMPACT - Small Business

The proposed legislation would possibly have a fiscal impact on licensed architects, professional engineers, land surveyors, or any corporations authorized to render any of the aforementioned professional services.

DESCRIPTION

The proposed legislation requires the plaintiff, in an action against a licensed professional, to file an affidavit with the court stating that the plaintiff obtained the written opinion of a legally qualified like licensed professional. The statement made by the licensed professional should state that the defendant licensed professional failed to use such care as a reasonably prudent and careful licensed professional would have under similar circumstances. The affidavit should be filed within ninety days of the filing of the petition. The case may be dismissed if the plaintiff or his attorney fails to file such affidavit. The proposal does not apply to actions filed in small claims court.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
